

## **GLOBAL NOTES AND STATEMENTS OF LIMITATION, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Watson Valve Services, Inc. (“WVS” or “Debtor”)<sup>1</sup> filed for chapter 11 (the “Chapter 11 Case”) and in connection therewith have filed its Schedules of Assets and Liabilities (collectively, the “Schedules”) and the Statements of Financial Affairs (collectively, the “Statements” and, together with the Schedules, the “Schedules and Statements”) in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”). The Debtor, with the assistance of its legal and financial advisors, prepared the Schedules and Statements, pursuant to section 521 of Chapter of Title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and are unaudited.

Due to an unexpected and tragic explosion that occurred on or about January 24, 2020, which has impacted WVS operations, the status of WVS’ assets are currently unknown with the possibility that some assets have been damaged or destroyed. Due to the catastrophic nature of the explosion and the resulting sequestration of the surrounding area to allow Federal, State and Local authorities to conduct their investigations, WVS has not been able to assess which assets may still exist and or may be salvageable. Further, if assets and equipment may be salvageable, WVS is not able to readily determine what the cost to do so may be.

While the Debtor’s management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible, based on the catastrophic nature of the explosion and the resulting limited data and information that was available at the time of the preparation of these Schedules and Statements, subsequent information or discovery could provide more information about the items identified in the Schedules and Statements, and inadvertent errors or omissions may have occurred. As the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, as well as the fact that certain underlying historical data may have been limited, these Schedules and Statements are as complete as practicable.

These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtor’s Schedules and Statements of Financial Affairs* (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, each Debtor’s respective Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

<sup>1</sup> The location of the Debtor’s corporate headquarters is 4525 Gessner Road Houston, TX 77041. The Debtor’s service address is through its counsel of record for this bankruptcy case: Jarrod Martin, 1001 Fannin Street, Suite 2700, Houston, TX 77002.

The Schedules and Statements for the Debtor was signed by Robert White, Chief Operating Officer of the Debtor. In reviewing and signing the Schedules and Statements, Mr. White relied upon his knowledge of the business, his accounting and financial data provided by Debtor's Controller, an outside accounting firm, an outside specialty IT data recovery firm and the efforts, statements, advice, and representations of personnel of the Debtor and the Debtor's legal and financial advisors. Mr. White has not and could not personally verify the accuracy of each statement and/or representation contained in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditors' addresses. Although every reasonable attempt has been made to assign corresponding transactions of the Debtor utilizing the available accounting and finance management systems and data, certain assets, liabilities, or cash payments may have been reported on one legal entity in these Schedules and Statements, while the beneficiary of the transaction may have been another Debtor or legal entity.

In preparing the Schedules and Statements, the Debtor relied on financial data derived from its books and records that was available at the time of such preparation. The Debtor, and its agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. For the avoidance of doubt, the Debtor and its professionals expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event shall the Debtor, or its agents, attorneys, and financial advisors, be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents, attorneys, or financial advisors are advised of the possibility of such damages.

### **Global Notes and Overview of Methodology**

1. **Description of Case.** On February 6, 2020, (the “**Petition Date**”), the Debtor filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.
2. **Reservations and Limitations.** Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtor's rights or an admission of any kind with respect to this chapter 11 case, including, but not limited to, any rights or claims of the Debtor against any third party or issues involving

substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtor, any assertion made therein or herein, or a waiver of the right to dispute any claim or assert any cause of action or defense against any party.
- (b) **Recharacterization.** Notwithstanding that the Debtor has made commercially reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtor nonetheless may have improperly characterized, classified, categorized, or designated certain items.
- (c) **Categories or Labels for Purpose of Presentation in Schedules and Statements.** Information requested by the Schedules and Statements requires the Debtor to make a judgment regarding the appropriate category in which information should be presented or how certain parties, claims or other data should be labeled. The Debtor's decisions regarding the category or label to use is based on the best information available as of the filing of these Schedules and Statements and within the time constraints imposed.
- (d) **Classifications.** Listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant or contract counterparty, or a waiver of the right to recharacterize or reclassify such claim or contract.
- (e) **Claims Description.** Any failure to designate a claim on the Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated."
- (f) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtor to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and

expenses during the applicable reporting periods. Actual results could differ from such estimates.

- (g) **Causes of Action.** Despite commercially reasonable efforts, the Debtor may not have identified all current and potential causes of action the Debtor may have against third parties in its Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. Debtor reserves all rights to pursue causative actions against any and all third parties.
- (h) **Insiders.** In the circumstance where the Schedules and Statements require information regarding “insiders,” the Debtor has included information with respect to certain individuals who served as officers and directors, as the case may be, during the relevant time periods. Such individuals may no longer serve in such capacities.

The listing or omission of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only.

### **3. Methodology.**

- (a) **Basis of Presentation.** The Debtor relied on its Controller as well as its accounting firm and specialty IT data recovery firm, both outside firms, to facilitate the obtaining of Debtor’s books and records.

These Schedules and Statements do not purport to represent financial statements prepared in accordance with accounting principles generally accepted in the United States (“GAAP”), nor are they intended to fully reconcile to the financial statements prepared by the Debtor. These Schedules and Statements reflect the best available estimate of assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the data extracted from the available Debtor’s books and records and historical financial statements. The fair value and net realizable value of real and personal property may vary materially from the net book value presented herein.

Given, among other things, the uncertainty surrounding the condition, collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that a Debtor was solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission

that a Debtor was insolvent as of the Petition Date or any time prior to the Petition Date.

All asset and liability information, except where otherwise noted, is reflected through January 23, 2020.

- (b) **Confidential Information.** There may be instances in the Schedules and Statements where the Debtor deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Generally, the Debtor has used this approach because of a confidentiality agreement between the Debtor and a third party, for the protection of sensitive commercial information, or for the privacy of an individual.
- (c) **Duplication.** Certain of the Debtor's assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtor has endeavored to only list such assets, liabilities, and prepetition payments once.
- (d) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to the Debtor. Accordingly, unless otherwise indicated, the Debtor's Schedules and Statements reflect net book values where possible. **In certain instances, Debtor's advisors were not provided with sufficient underlying details and schedules in order to properly assess book value.** Additionally, Market values may vary, in some instances, materially, from net book values. The Debtor believes that it would be an inefficient use of estate assets for the Debtor to obtain the current market values of its property. Accordingly, the Debtor has indicated in the Schedules and Statements that the market values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements, or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset.
- (e) **Undetermined Amounts.** The description of an amount as "unknown," is not intended to reflect upon the materiality of such amount.
- (f) **Unliquidated Amounts.** Claim amounts that could not be readily quantified by the Debtor are scheduled as "unliquidated." The description of an amount as "unknown," or "undetermined" is not intended to reflect upon the materiality of such amount. Any failure to designate a claim in the Schedules

and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtor that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtor reserves all rights to dispute, or to assert offsets or defenses to, any claim reflected on the Schedules and Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed."

- (g) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different from the listed total.
- (h) **Property and Equipment.** The Debtor's owned property and equipment would normally have been valued at net book value, but the latest depreciated asset schedule was completed through September 30, 2019. In addition, the Debtor cannot properly assess the fair market value or any value until they have access to its equipment, including work in process, in order to determine what is salvageable, and most are scheduled as unknown at the time of the filing of the Schedules and Statements. The Debtor may lease furniture, fixtures, and equipment from certain third-party lessors. To the extent possible, any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect thereto.
- (i) **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor's books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtor or (ii) be net of accrued credits, allowances, or other adjustments that are actually owed by a creditor to the Debtor on a post-petition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and critical vendor payments, if applicable. The Debtor reserves all of its rights with regard to such credits, allowances, or other adjustments, including, but not limited to, the right to modify the Schedules, assert claims objections and/or setoffs with respect to the same, or apply such allowances in the ordinary course of business on a post-petition basis.
- (j) **Intercompany Claims and Transfers.** The Debtor maintains business relationships with another entity, Watson Grinding and Manufacturing Co., (debtor in Case No. 20-30967, "**Watson Grinding**") conducting transactions from time to time that result in intercompany receivables and payables and/or are on account of capital contributions, equity investments, or distributions on account of equity investments. Known and assumed prepetition receivables and payables among and between the Debtor and

Watson Grinding are reported on Schedule A/B, and Schedule E/F, respectively, per the Debtor's books and records. In certain instances, intercompany accounts may not have been reconciled and therefore the values are unknown and are listed as such. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the characterization of such balances as debt, equity, or otherwise.

- (k) **Guarantees and Indemnification Claims.** The Debtor has exercised commercially reasonable efforts to locate and identify guarantees of its executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees or indemnification claims have been identified, they have been included in the relevant Schedules E/F, G and H for the affected Debtor. The Debtor may have inadvertently omitted guarantees or indemnifications embedded in its contractual agreements and may identify additional guarantees or indemnifications as they continue to review its books and records and contractual agreements. The Debtor reserves its rights, but are not required, to amend the Schedules and Statements if additional guarantees are identified.
- (l) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

#### **4. Specific Schedules Disclosures.**

- (a) **Schedules Summary.** Except as otherwise noted, the asset and liability totals represent amounts obtained utilizing trial balances through January 23, 2020 with asset totals depreciated through September 30, 2019. The Company closes its books quarterly. Based on the size of the Company, the scope of its operations and internal accounting resources, a monthly close is not performed.
- (b) **Schedule A/B – Parts 1& 2 - Cash and Cash Equivalents; Deposits and Prepayments.** Details with respect to the Debtor's bank accounts are provided in the Debtor's Schedules and are as of the Petition Date.
- (c) **Schedule A/B, Part 3 – Accounts Receivable, Item 11.** The Debtor's reported accounts receivable through January 23, 2020. Also, accounts receivable includes amounts that may be uncollectible. The Debtor is unable to determine with certainty what amounts will actually be collected.
- (d) **Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries, partnerships, and joint ventures have been listed in Schedule A/B, Part 4, as unknown amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and

may differ significantly from its net book value.

- (e) **Schedule A/B, Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles.** Debtor maintained an asset depreciation schedule updated through September 30, 2019; however, some amounts may have been listed as unknown due to the aforementioned circumstances.
- (f) **Schedule A/B, Part 8 – Machinery, equipment, & vehicles.** Debtor maintained an asset depreciation schedule updated through September 30, 2019; however, some amounts may have been listed as unknown due to the aforementioned circumstances.
- (g) **Schedule A/B, Part 9 – Real Property.** For those Debtor that own real property, such owned real estate is reported at book value, net of accumulated depreciation through September 30, 2019. The Debtor may have listed certain assets as real property when such assets are in fact personal property, or the Debtor may have listed certain assets as personal property when such assets are in fact real property. Any buildings and land improvements, as may be applicable, are listed on Schedule A/B, Part 9, independent of whether the real property to which the building or land improvement is connected is Debtor-owned property. Additionally, some amounts may have been listed as unknown due to the aforementioned circumstances. The Debtor reserves all of its rights to re-categorize and/or re-characterize such asset holdings to the extent the Debtor determines that such holdings were improperly listed.

Certain of the instruments reflected on Schedule A/B 55 may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule A/B. The Debtor hereby expressly reserves the right to assert that any instrument listed on Schedule A/B 55 is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. The Debtor reserves all of its rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B 55, including its right to dispute or challenge the characterization or the structure of any transaction, document, or instrument, including any intercompany agreement.

- (h) **Schedule A/B, Part 11 – All Other Assets.** Debtor maintained an asset depreciation schedule updated through September 30, 2019; however, some amounts may have been listed as unknown due to the aforementioned circumstances.

For section 73 related to interests in insurance policies or annuities, values were derived from data received from management and no assertion can be

made as to the accuracy of the provided data.

- (i) ***Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtor and Rights to Setoff Claims.*** In the ordinary course of its businesses, the Debtor may have accrued, or may subsequently accrue, certain rights to counterclaims, crossclaims, setoffs, credits, rebates, or refunds with its customers and suppliers, or potential warranty claims against its suppliers. Additionally, the Debtor may be party to pending litigation in which such Debtor has asserted, or may assert, claims as a plaintiff or counterclaims and/or crossclaims as a defendant. Because such claims are unknown to the Debtor and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11.
- (j) **Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtor reserves its rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D and reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.  
The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. In certain instances, the Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of Watson Grinding, and no claim set forth on Schedule D of the Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

(k) **Schedule E/F – Creditors Who Have Unsecured Claims.**

***Part 2 - Creditors with Nonpriority Unsecured Claims.*** The liabilities identified in Schedule E/F, Part 2, are derived from the Debtor's books and records. The Debtor made a commercially reasonable attempt to set forth its unsecured obligations, although the actual amount of claims against the Debtor may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities, which have been listed on a gross accounts' payable basis, may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

Schedule E/F, Part 2, contains information regarding certain compensation-related or other claims of insiders of the Debtor, with such claims being listed as "contingent," "unliquidated," and/or "disputed." In scheduling such claims, the Debtor makes no representation or assertion as to the validity of

such claims, and the Debtor reserves all rights, claims, and defenses in connection therewith.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtor. The amounts for these potential claims are listed as “undetermined” and are marked as contingent, unliquidated, and disputed in the Schedules and Statements.

Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtor or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtor’s estate, the Debtor has not listed a specific date or dates for such claim.

As of the time of filing of the Schedules and Statements, the Debtor has not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Additionally, due to lack of access to records, Debtor is unable to provide confirmation of transaction activity past January 23, 2020. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtor reserves its rights, but undertakes no obligations, to amend Schedules D and E/F if, or when, the Debtor receive such invoices.

(l) **Schedule G – Executory Contracts and Unexpired Leases.** While commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Additionally, relationships between the Debtor and its vendors are sometimes governed by a master services agreement, under which the Debtor also places work and purchase orders, which may be considered executory contracts. Disclosure of all of these purchase and work orders, however, is impracticable and unduly burdensome. Accordingly, to the extent the Debtor has determined to disclose non-confidential master services agreements in Schedule G, purchase and work orders placed thereunder may have been omitted.

In some cases, the same supplier or provider may appear multiple times in Schedule

G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

Omission of a contract or agreement from Schedule G does not constitute an

admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor and Watson Grinding may be guarantors and parties to guaranty agreements regarding their prepetition credit facility. The guaranty obligations arising under these agreements are reflected on Schedules D and F only.

**5. Schedule H – Co-Debtors.** The Debtor has made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, “**Guaranties**”) in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which the Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedule for the Debtor. The Debtor has placed the Guaranties on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guaranties were additionally placed on Schedule D or E/F, except to the extent they are associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guaranties embedded in the Debtor’s executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted.

**6. Specific Statements Disclosures.**

(a) **Statements, Part 2, Question 3 – Payments and Transfers to Certain Creditors within 90 Days.** The dates set forth in the “Dates” column relate to one of the following: (i) the date of a wire transfer; (ii) the date of an “ACH” processing; or (iii) the check issuance date. Prior to the Petition Date, the Debtor maintained a centralized cash management system through which the Debtor made payments on behalf of itself or Watson Grinding. Consequently, for the purpose of this schedule, payments are recorded on the Debtor’s Statements, Part 2, Question 3, based on the Debtor’s bank account owned.

Payments to the Debtor’s bankruptcy professionals, insiders, intercompany transactions, wage garnishments and donations are not included in the payments to creditors. Payments to the aforementioned parties are included in the following locations within the Statements: bankruptcy professionals (Question 11), insider (Question 4), intercompany (Question 4).

(b) **Statements, Part 2, Question 4 – Payments and Transfers to Insiders.** To the extent: (i) a person qualified as an “insider” in the year prior to the Petition Date, but later resigned their insider status or (ii) did not begin the year as an insider, but later became an insider, the Debtor has only listed those payments made while such person was defined as an insider in Statements, Part 2, Question 4. Business travel arrangements, including flights and hotels, for certain of the Debtor’s directors and officers have been paid for by the Debtor’s corporate credit card. Such payments are listed in the response to Question 4 on the Statements.

- (c) **Statements, Part 2, Question 6 – Setoffs.** The Debtor routinely incurs setoffs and net payments and record offsets in the ordinary course of business. Such setoffs, nettings and offsets may occur due to a variety of transactions or disputes including, but not limited to, joint- interest billings, intercompany transactions, counterparty settlements, pricing discrepancies, warranties, refunds, negotiations, or disputes between the Debtor and its operating partners or suppliers. These ordinary course setoffs and nettings are common to the industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtor to list each such transaction. Therefore, ordinary course set- offs are excluded from the Debtor's responses to Question 6 of the Statements
- (d) **Statements, Part 3, Question 7 – Legal Actions or Assignments.** The Debtor does not know of any workers' compensation claims in response to this question, aside from any workers' compensation claims that may arise from the January 24 explosion. However, if any become known the Debtor maintains that disclosure would be in violation of certain laws including HIPAA (Health Insurance Portability and Accountability Act of 1996).
- (e) **Statements, Part 6, Question 11 – Payments Related to Bankruptcy.** The payments provided in Question 11 are reported for the joint representation of the Debtor and Watson Grinding. The Debtor believes that it would be an inefficient use of the assets of the estates to allocate these payments on a Debtor-by-Debtor basis.
- (f) **Statements, Part 6, Question 13 – Transfers not already listed on this statement.** Payments to insiders disclosed for purposes of transparency but Debtor contends that these are ordinary payments.
- (g) **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Distributions by the Debtor to directors and officers are listed on the attachment to Question 4.

## 7. Litigants

As a result of the explosion that occurred on or about January 24, 2020, many surrounding homes and businesses incurred damage including the loss of life and physical injuries to potentially many litigants. Best efforts have been made to notice many surrounding homes, businesses and people affected by the blast but cannot guarantee that all effected by the explosion were noticed.

**These Global Notes are in addition to the specific notes set forth in the Schedules and Statements. The fact that the Debtor has prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtor to exclude the applicability of such Global Note to any or all of the Debtor's remaining Schedules or Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.**
